Ms. Paula Higashi
Executive Director
Commission on State Mandates
980 Ninth Street, Suite 300
Sacramento, CA 95814

Dear Ms. Higashi:

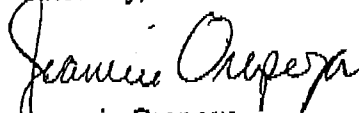

The Department of Finance respectfully requests an extension to file comments on various test claims related to reimbursable State mandated costs submitted by school and community college districts, as indicated on the enclosed attachment.

Although the Commission has previously granted various extensions, we were unable to complete our review and submit comments on the attached list of test claims due to the workload associated with the administration of the 2005-06 Budget, the complexity and scope of particular filings, and staff turnover. We therefore request additional 90-day extensions on the attached list of test claims, to June 9, 2005, in order to invest the significant time required to review these submissions. As always, we will continue to submit comments on a flow basis, and would welcome the Commission's suggestions as to the relative priority of the test claims on the attached list.

As required by the Commission's regulations, we are including a "Proof of Service" indicating that the parties included on the mailing lists which accompanied your letters have been provided with copies of this letter via either United States Mail or, in the case of other State agencies, Interagency Mail Service.

If you have any questions regarding this letter, please contact Barbara Taylor, Principal Program Budget Analyst, at (916) 445-0328 or Jesse McGuinn, State mandates claims coordinator for the Department of Finance, at (916) 445-8913.

Sincerely,

Jeannie Oropeza
Program Budget Manager
